Ref. C. No. 5201/39 dated 5-1-1940.

Sir,

Encl. 2 Statements

Military - lands and buildings - Bellary taluk and town - disposal by the Military Estates Officer - registry and charge of assessment or ground rent.

The Military Estates Officer, Bangalore, has informed me that he has sold the military properties furnished in the appended statements. According to the conditions in the sale notice the purchasers are liable to pay annual ground rent at Rs. 6-4-0 an acre or such other sum as may be fixed by the Local Government. The municipal limits as revised were approved in G.O. No. 4290, L.A. dated 2-11-1939. The particulars of lands sold are furnished in the two statements enclosed. Statement A contains lands and properties lying within the revised municipal limits. It is presumed that these lands will have to be charged ground-rent at Rs. 6-4-0 an acre. I request to be informed whether my presumption is correct and if so whether house site title deeds under B.S.O. 21 may be issued. This procedure will absolve the Military authorities from the liability of payment of taxes to the municipality. Particulars of lands and properties lying beyond the revised municipal limits are furnished in the Statement 'B' These lands also have to be charged ground rent or assessment. It is doubtful whether ground rent can be levied on these lands at Rs. 6-4-0 an acre as they are beyond the Municipal limits. I therefore request

request orders as to whether the lands in Statement B should be registered as ryotwari holdings in the names of the purchasers fixing appropriate taram assessment for them or ground rent should be charged retaining the lands as village site porambokes, though these lie beyond the municipal limits.

Ref: Board's Ref. F. No. 143/40-1 dated 9-2-1940.

---

The Military Estates Officer has intimated that he has sold certain military properties and handed them over to the purchasers. He has not furnished copies of any of the sale deeds executed. Under B.S.O. 21 title deeds have to be issued in respect of non agricultural lands, lying within the Municipal limits as the amount of ground rent fixed and payable to Government has to be intimated to the purchasers since the lands are classed as village site poramboke. In respect of agricultural lands within and beyond the municipal limits ryotwari pattas have to be issued fixing the appropriate Taram assessment. I request early orders in the matter as the occupants have to be charged with assessment or ground rent for the current fasli.

Lands and bldgs – Military – (Bellary) – Bellary Th and Town – Disposal by the M.E.G – Levy of assessment or ground rent

Mp 1-2 cf | E 143/40 Coll. of Bellary, Ly c-s 201/39 of 5-1-40.

Mp cf. | E 1272/40 —— do —— of 23-2-40

In his letters read above, the coll. of Bellary says that certain military properties in Bellary have been sold by the military estate Officer. Some of those properties lie within the municipal limits Mp 3 cf and some, outside them. The Coll. solicits orders on the following points, viz,

Mp 1, - 3 cf | (1) whether title deeds (orders of assignment) should be issued under B.S.G 21 in respect of non-agricultural lands lying within municipal limits,

2 cf | (2) whether ryotwari 'pattas' should be issued in respect of the agricultural lands lying within and beyond the municipal limits, as revised

3 cf | (3) whether ground rent at Rs 6/4 an acre may be charged in respect of (1)

4 cf | (4) whether the appropriate taram assessment or ground rent may be charged in respect of (2).

~~Heard (1): The Coll. states that according~~

~~to the Conditions in the sale notice, the purchasers are liable to pay ground rent~~

Item (1) In cases of sale of military lands, the lands are usually conveyed by the military authorities under a sale deed. It is not known whether, in regard to the sales in question, such sale deeds have already been executed, as the Coll. states that the M.E.O. has not furnished them to him. If sale deeds have been executed, title deeds will not be necessary. The Coll may ∴ be requested to ascertain this from the Military Estate Officer. A

Item (2) A ryotwari patta does not convey any title. It only shows the amount of revenue payable to Govt on the land. Ryotwari pattas may be issued. B

Item (3) In the present case, it is not known whether the limits of Bellary town are co-terminus with those of Bellary Municipality. For purposes of levy of ground rent, the Coll should have notified the limits of Bellary town under B.S.G. 21-9. He may be informed that ground rent should be levied in all cases of house sites and non-agricultural lands disposed of by the military authorities and lying within the limits of Bellary town notified B

B.S.O 30. para 112-113 B.S.

para 18 of

under the B.S.G referred to above.

Item (4) As the lands are agricultural only taram assessment and not ground rent should be charged.

The Coll requests early orders, as the occupants have to be charged either assessment or ground rent for the current fasli. Orders may issue as above as regards items (2). to (4). The Coll states that title deeds have to be issued, as the amount of ground rent fixed and to be paid to Govt has to be intimated to the purchasers. In the sale notice the purchasers were already informed that they were liable to pay the annual ground rent at Rs 6/4 an acre or such other sum as may be fixed by the Provl. Govt. Hence there seems no objection to making a demand for the ground rent now without actually issuing the title deed. The Coll may be informed that orders on item (1) — issue of title deed — will be passed later.
